Because Kids Matter

Program

**Supporting Puddle
Jumpers will benefit you
and our youth!**

WELCOME

It is with great pleasure that we invite you to participate in the Club 100 - Because Kids Matter Program.

Puddle Jumpers Inc is a not for profit organisation that provides holiday camps for children.

Puddle Jumpers is a not-for-profit, volunteer based, charitable organisation, where every dollar raised goes towards providing Camps, and other support programs to Children, Young People & Families who are experiencing disadvantage. The children we help are experiencing disadvantage for many different reasons, but they all need our help! Predominately the children we work with do not live with their birth parents, many of them that don't live with their siblings.

On our camps, the children we work with experience simple things for the first time that we take for granted, like going riding a bike (many have learnt how to on our camps), having a go in a canoe/on a boat, patting animals, hearing praise, tasting different foods and experiencing a holiday. The objective of Puddle Jumpers is to provide a safe environment where children are exposed to new and exciting opportunities based on building trust and friendships in an inclusive and supportive environment. The camp mentors and volunteers are crucial role models who inspire children to learn and know their self worth. Without these Camps, these children may not get to see the positive choices they could make for themselves and their lives.

There are many testimonials from children whose lives have been completely transformed from services provided by Puddle Jumpers. This year we are aiming to provide services to over 500 volunteers and 400 children and families but we could do more. There is such demand, that with the necessary funding, we could fill a Camp almost weekly!

As a non-profit organisation without the support of Government funding, we rely heavily on donations and sponsorship from the community and corporate sectors.

This year we celebrate 5 years of providing this service here in South Australia. We are ambitiously seeking 1000 businesses to help us continue to provide our services through our Club 100 - Because Kids Matter Program.

What is the Club 100 - Because Kids Matter Program?

We're asking businesses & individuals to donate \$100 each per year (of course you could opt out if you weren't happy to continue after the first 12 months)

This commitment from multiple businesses will mean we can provide our services to kids in need in SA!

With your help we can provide services to over 400 children in need

- You will be supporting a grass roots non-government organisation
- You will be helping over 500 volunteers (predominantly young adults) develop leadership skills
- Your business will be aligned with a charity that doesn't give up on kids, that believes we can make a difference
- You will receive a commemorative certificate to display at your business / workplace / office
